

Cast in a cool tone of grey, the color and the contrasting typesetting across the two words of our logo symbolizes both the notion of modernity and flexibility, portraying Principals Academy Inc as an Organization of the Future. The bolding of the word "**Principals**" not only emphasizes our close ties to the **Academ**
y of Principals (Singapore)
; also embodies our commitment in providing world-class support to our educators in Singapore and around the region.

principalsacademy

Presented in shades of **light-orange** and **dark-orange** – symbolizing vibrancy and passion – the four disc represent the four specific elements of our core business; the provision of **Professional Development**

,
Accreditation

,
Consultancy

and
Enrichment

to both Educators and Learners alike.
