

Showcasing Learning and Education

At Principals Academy Inc (PAI), our main objective is to enhance the overall quality of education in Singapore through the organizing of education-related events. Our unique partnerships and strong networking with related industries and agencies gives us the flexibility and advantage in the organizing of education-related events, particularly in the following areas;

- Conceptualization
- Consultancy
- Planning
- Speakers Management

We provide event organization support for the following functions:

- Education resource exhibitions
- Education-related conferences and seminars
- Training, lectures & workshops catering to both the educators and learners
- Other educational-related events

Our interests include (but are not limited to) the following thematic areas:

- Assessment
- Leadership
- Lesson Study
- 21st Century Competencies
- Teaching and Learning with Information and Communication Technology (ICT)

PAI has been greatly privileged to be able to work with the following organizations in bringing the education scene in the region one step further:
